

Get To Know Your PACE Nurse Practitioner

Melissa Turner, AGNP-C

InnovAge Colorado PACE

“My goal is to promote health and wellness to help our participants stay as independent as possible.”

— Melissa Turner

Melissa earned her Bachelor of Science in Nursing at Ohio State University and her Master of Science in Nursing at the University of Colorado Anschutz Medical Campus. Prior to joining InnovAge, she worked for 10 years as an RN in an intensive care unit and as a nurse practitioner in pain management for two years.

She serves as a preceptor for nurse practitioner students and volunteers with Project Angel Heart.

Melissa grew up in Ohio. She enjoys sports and remains a big fan of Ohio State Football. She has a cat and loves outdoor activities including skiing, hiking, biking and camping. Melissa enjoys travel.
