Michael Leiding, MD

InnovAge Colorado PACE
(Program of All-inclusive Care for the Elderly)

"I enjoy working with older adults because I have the privilege of listening to their life stories. I hear their perspectives on the historical events they've lived through."

— Michael Leiding

Dr. Leiding is board certified in Geriatric Medicine and Palliative Care. He earned his Doctor of Medicine (MD) degree from Loyola University in Chicago, held a fellowship in geriatrics at Rush University Medical Center and completed his residency in internal medicine at Caritas St. Elizabeth's Medical Center in Boston. His specialties are dementia, maintaining function and quality of life, and end-of-life decision making.

He enjoys working at InnovAge because the interdisciplinary team is quickly able to bring together a variety of services under one roof that participants need to lead the fullest lives possible.

Dr. Leiding is married, has a dog, and enjoys exploring the outdoor activities that Colorado has to offer.
